PROFESSIONAL EXPERIENCE

Associate Manager – Analytics & Operations Support

Oct 2012 – Present

Educational Initiatives Pvt. Ltd., Ahmedabad

Career path: Junior Executive → Executive → Senior Executive → Project Lead → Support Lead (PAN India) → Associate Manager

Analytics & operations support (current)

- Builds role-based decision dashboards for many teams in Power BI, Zoho Analytics and Redash, e.g. for the National Sales Head, AVP, zonal and regional managers, covering sales trends, forecasting and team performance.
- Built the ACAD Head dashboard (school visits, training sessions, planned vs actuals, assessments) and the field operations M&E dashboard tracking inputs, outputs and outcomes.
- Writes SQL queries with joins across MySQL, MongoDB and ClickHouse data; automates recurring reports with Excel macros.
- Builds AI-assisted in-house web dashboards, including a national sales dashboard.

Project execution & M&E

- Executed education programmes across 12 states, 35+ districts and 250+ schools, reaching 1.5 lakh+ school-based and home-based learners.
- Built M&E frameworks for baseline, midline and endline assessments using KoBoToolbox, SurveyCTO and Google Forms.
- Wrote monthly, quarterly and annual reports pairing metrics with field insights, case studies and video testimonials.

PAN India central support & stakeholders

- Led PAN India central support as Support Lead, resolving technical, implementation and product queries from field teams and partners.
- Relayed field feedback to product and tech teams, driving iterative product improvements.
- Engaged government officials, education officers, parents and community leaders to build programme acceptance.

Training & team leadership

- Trained 3,000+ teachers, coordinators and officials through in-person sessions, online training and webinars.
- Leads an 8-member team; runs multi-level evaluations, performance appraisals, review meetings and debriefs.

Assistant Manager – Operations & Administration

May 2011 – Sep 2012

Palm Greens Club Pvt. Ltd.

- Coordinated daily operations between marketing executives and Direct Selling Agents to keep teams aligned to targets.
- Managed billing, payment follow-ups, dues collection, vouchers and petty cash; resolved member, agent and staff complaints.
